

SCOTTISH FIELD ARCHERY

SCOTTISH BOWHUNTER CHAMPIONSHIPS 2014

BORDER REIVERS 3D COURSE

17/18 MAY 2014

COMPETITION REPORT & FINAL RESULTS

The SFAA Scottish Bowhunter Championships were held over the weekend of 17th/18th May and what an excellent weekend competition it was. Once again Border Reivers placed their excellent course at the disposal of the SFAA for the Championships and some changes to the course layout by Sid, Dave and their team had been made ready for this year's competition. 100 3D targets, from rabbits to bison, were shot each of the two day competition and they were, as one might have anticipated, "challengingly" placed in the 40 shooting lanes of the course. The weather was just great on both days with dry ground conditions and, as usual, the appetising smell of the pies and bacon rolls wafting from the Reiver's Rest helped to motivate us around the course.

SFAA archers were joined by guest archers from around Scotland, England, Ireland and Germany and this was one of our best entry numbers. It's hoped that it will continue to grow in popularity and that competitors will help "spread the word" and encourage more of their fellow archers to come along next year. I'm sure that all those who attended enjoyed the weekend and photographs and archers comments are additionally available on the SFAA FaceBook.

Our sincere thanks to Border Reivers for their excellent hospitality, hard work and course setting skills in providing such an excellent and challenging course. A very special thanks to Ann & helpers in the kitchen for keeping the hungry archers fed, the pies & beans and other such delights were just great. Thanks to the SFAA competition admin and last but not least a **big thank you to the archers** who made the effort to come along and participate. Great to see you and thank you for donating those arrows that are still happily flying somewhere around the course.

Congratulations to the medallists who shot so well and hopefully we can all try and encourage a good number of our fellow archers to come along and enjoy the challenge next year.

Before I finish and list the results a large number of the archers reported one very serious issue that I just have to report; **"Ann, you ran out of that SUPERB cherry pie !!!"** 😊 **"Need more next year"** 😊

Take care everyone **"GOOD SHOOTING"** see you next year or at the next shoot. *Spider(Spinner of webs)* 😊
