

DRUM FIELD ARCHERS

11th May 2014 - Hunter Round

RESULTS

Considering the weather forecast for the day was not so great, we did manage to lure over 20 archers to the shoot. A large section of the Drum course had been "clear-felled" recently and sincere thanks to all those who helped in clearing up and re-establishing a 14 target unit in order to enable us to hold this "Hunter Round".

A gruelling 2 laps of the "top" half made for a long but very enjoyable day... The 2 new targets as well as the existing challenging shots made the archers really have to concentrate on their game. A big thanks to our volunteers today for your support and to all those who attended the shoot.
