

# WOLFSTAR ARCHERS

## 27th April 2014 - Field Round

### RESULTS

No Wind, wow!! Wolfstar is renowned as a "slightly" breezy course but on Sunday, the first classification shoot of the year, it was almost entirely calm with not a fresh "spring" leaf stirring on the trees. The bluebells were out and the bees buzzing around our feet. The weather stayed dry and we enjoyed shooting a Field Round, with good company, even if the shooting was a bit "rusty" and the "spotting" at times a "little blurry". 😊

18 archers took part, thanks for making the effort to come along, and making the shoot so worthwhile. Our sincere thanks go to those at Wolfstar, and also those at the other clubs, who take the time to organise the events and undertake the necessary administration, pasting and putting out target faces, even organising the porta-loo and the other tedious tasks that need to be considered to make a day's shooting a success for the visiting archers.
