

SCOTTISH FIELD ARCHERY

SCOTTISH BOWHUNTER CHAMPIONSHIPS 2015

BORDER REIVERS 3D COURSE

16/17 MAY 2015

COMPETITION REPORT & FINAL RESULTS

The SFAA Scottish Bowhunter Championships were held over the weekend of 16th/17th May and yet again it was an excellent weekend competition. The Border Reivers 100 target 3D course was the venue for the two day 2015 Championship and many new targets were incorporated into the course layout by Sid, Dave and their team ready for this year's competition. Fortunately the weather remained mainly dry over the two days and the "gusty" wind on the Sunday, whilst adding to the challenge, also helped to carry the appetising smell of the pies and bacon rolls, wafting from the Reiver's Rest, to the outlying areas of the course.

SFAA archers were joined by guest archers from around Scotland, England, Wales and Ireland for the two day competition and everyone enjoyed shooting the variety of 3D targets, placed at unmarked distances, in the 40 shooting lanes of the course. I'm sure that all those who attended had an enjoyable weekend's archery and photographs and archers comments are additionally available on the SFAA FaceBook.

Sincere thanks to Border Reivers for their hospitality, hard work and course setting skills in providing such an excellent and challenging course. A very special thanks to Ann & helpers in the kitchen and to the SFAA competition admin.

Congratulations to the medallists who shot so well and finally a **big thank you to the archers** who made the effort to come along and participate and hopefully we can all try and encourage a good number of our fellow archers to come along and enjoy the challenge and enjoyable experience next year. It has been noted that a good number of you would like to see this type of competition being developed into an annual UK & Ireland "BowHunter" Championships (*similar to the existing Field Championships*) and who knows maybe in the not too distant future we just might achieve that vision.

Take care everyone "GOOD SHOOTING" during the summer season and see you next year or at the next shoot. ☺
