

HIGHLAND OPEN 2016

This year's Highland open was held on 11/12 June 2016. Saturday wasn't too bad a day and the light drizzle never came to much but some archers said that at times they could hardly see the target due to the clouds of midges (*but as we all know there are never any midges or trees on archery courses !!!*). A half animal round was shot along with the field round with an unmarked 3D on every alternate target. After the end of shooting on Saturday a barbecue was held along with some curry, chilli and a few bottles of beer. On Sunday a Hunter round was shot and the weather was mild & dry and reports have it that the midges were also much less noticeable.

Our thanks to the club members who helped prepare the course and assisted with target faces and the other little jobs that help a competition run smoothly. Sincere thanks to the "Merry Maids of Achagour" that manned the kitchen and kept everyone well fed & watered.

Thank you to all the archers who participated in this year's Highland Open, we hope that you enjoyed yourselves, and we look forward to welcoming you back in August for the Scottish Field Championships.
