

FOREST SPIRIT
2nd April
Hunter Round
~RESULTS~

A really decent turnout for what was billed as the first classification shoot of the season. Great weather and Davy ably assisted in the kitchen by his good lady wife and a couple of eager assistants to produce a full-on Sunday roast – IN THE FOREST!

Unfortunately, a couple of mistakes were made when setting up the targets and as a result the scores cannot be considered for classification purposes. Some archers performed really well on the day and others quite possibly turned up specifically to get a classification shoot under their belts so by way of an apology, the next classification shoot at Forest Spirit will be offered at half price to those who attended.

Some further confusion at the medal ceremony resulted in Jon Dixon failing to receive his bronze medal (many apologies Jon). There were a couple of ties in terms of medals once archers had left so both will be awarded medals on these occasions.

To avoid further confusion (and my embarrassment) regarding awards, I'd ask for your support by confirming your shooting style when registering for future shoots with Forest Spirit.

Many thanks,
